EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 03/29/2004 has been entered.

Reasons for allowance

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or reasonably suggest a method and an apparatus of an optoelectronic package comprising a base chip having V-groove; a wick stop disposed between rear and front portions of a fiber array having an array V-groove and an optical fiber having an angled end face disposed in both V-grooves to couple the chip and array.

Claims 1-28 are therefore allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art documents submitted by applicants in the Information Disclosure Statements filed on 03/29/2004 and 04/12/2004, have all been considered and made of record (note the attached copy of form PTO-1449). No effect on patentability of the claims.
